

# BENTON PARK SCHOOL

*'Creating a climate for great learning, success and opportunity'*

18<sup>th</sup> March 2020

Dear Parents/Carers

We have just listened to the statement made by the Government in relation to the Covid-19 situation and the implications for schools.

The arrangements proposed have some wide ranging implications for students and the day to day operational arrangements for us as a school and we are currently working on what this will mean for us.

The announcement will have undoubtedly created a significant amount of concern and anxiety for those students in Year 11 and 13 in relation to the examinations this summer. We will try and seek additional clarification on what this means for you and your child and as soon as we know anymore we will contact you further.

More details will follow tomorrow once we have had chance to digest this information and understand what all aspects of this announcement mean for everyone.

Kind regards

Delia Martin  
Headteacher
