

16<sup>th</sup> July 2020

Dear Parent/Carer

I hope you are well and looking forward to a restful summer break. As I am sure you are aware, the GCSE Statistics exam that your child was due to take this summer was included in the overall revised grading system which has been used to determine student's grades this year. This means that, along with the Year 11 students, they will receive a grade determined by the exam board, and based on the school's recommendation, on Thursday 20<sup>th</sup> August.

Under normal circumstances, your child would have been invited into school on results day to collect their grade for this subject. However, I am sure you will appreciate that this year we are having to do things very differently. On the morning of the 20<sup>th</sup> August your child's result will be released to them electronically after 10am. Further details of how the result can be accessed remotely from home will be sent closer to the date. We hope you will understand that for the safety of everyone concerned, it is essential that we limit the number of students on site.

After receiving their result, should your child have any questions or need any further support, the Key Stage 4 team will be available to help. Contact details will be provided with the further instructions in due course.

Thank you for your understanding and as always, if you have any further queries regarding this please feel free contact me at [keith.briggs@bentonpark.net](mailto:keith.briggs@bentonpark.net)

Yours sincerely

Mr K Briggs  
Deputy Headteacher

**Headteacher: Miss D Martin**
