

19th October 2021

Dear Student, Parents and Carers,

Virtual Sixth Form Open Evening: Thursday 18th November 2021

We are delighted to invite you to our Virtual Sixth Form Open Evening on Thursday 18th November 2021 from 5.30pm to 8.00pm . This is always one of the highlights of our year as we start to plan next steps with our Year 11 students.

Our virtual event last year was a huge success and given that we currently have restricted access and parking on our site for evening events, we have decided to run this year's evening in the same format. Throughout the virtual event, you will have the opportunity to watch video introductions from our Sixth Form leadership and hear from our students who are able to give a first-hand experience of Post 16 study and life in our Sixth Form. A key part of the evening will be our live online subject webinars, where you will have the chance to meet with subject specialist staff about the courses they offer and ask them any questions about their subject. You will also be able to view the wide range of courses we offer and ask questions of the Sixth Form Team on our live Q & A session.

Of course, our students will have already had the opportunity to experience our amazing new facilities and we are currently in the process of planning exciting refurbishments for our new Sixth Form centre. This will create a bespoke study centre aimed at giving our Sixth Form students the independence and responsibility which marks out their transition to Post 16 study.

To access the event you will need to sign up for a free ticket by [clicking here](#). Closer to the time you will then be sent a link to access the page when it goes live at 5.30pm on the 18th November.

This is a really exciting time for our students in Year 11 and this evening will provide them with all of the information, support, and guidance they need to start making those all-important choices for Post 16 study. However, this is just the first part of the programme of support we provide to make the transition from Year 11 into Year 12 as smooth as possible. Later in the year, students are offered the opportunity to have taster sessions in the subjects of their choice, as well as a full induction programme of events.

We are proud of the academic and pastoral support we offer as part of our Sixth Form experience and we look forward to welcoming you and your child to our Virtual Open Evening so we can share with you everything our Sixth Form can offer. Ahead of the evening, if you have any queries or questions, please do not hesitate to contact a member of our Sixth Form team on sixthform@bentonpark.net

Yours sincerely,

Delia Martin
