

BENTON PARK SCHOOL

'Creating a climate for great learning, success and opportunity'

22nd March 2022

Dear Parent/Carer,

With the exams starting on 16th May, just four weeks after Easter, we are running a number of supplementary revision sessions during the Easter break to support our students across several subjects. These sessions are open to all students and are designed to help them with their ongoing revision for the summer examinations.

If you would like your child to attend, please complete this online Form indicating the individual sessions they will be attending by 12.00pm on Thursday 31st March: [Year 11 Easter Revision Consent Form](#). Completion of the form will be taken as written consent for your child's attendance, and we will contact you on the day if your child does not attend a session where you have indicated they will be present.

For safety reasons, students will not be allowed off site during the day and will therefore need to bring any refreshments they will need with them as the school canteen will not be open during half term. Students will not be required to wear uniform however, they will need to meet their teacher in Student Reception and sign in and out on the day.

We hope that your child is able to join us for this fantastic revision opportunity. If you have any questions, please contact Mr Ross at mark.ross@bentonpark.net

Thank you very much for your support.

Yours faithfully,

Mr K Briggs
Deputy Headteacher

Headteacher: Miss D Martin
