

BENTON PARK SCHOOL

'Creating a climate for great learning, success and opportunity'

13th June 2022

Dear Parent/Carer,

We are writing to all bus users to make sure that they have all the correct passes in place ahead of the new academic year.

Once again we expect demand to be high for the school bus services, so it is essential that students have the necessary passes in place to access the school service. Applications have been open for some time and existing users should have received a letter inviting them to renew by Friday 24th June 2022.

All students require two passes to travel on one of our six school buses:

[Priority PhotoCard](#) - This pass gives the holder a place on a specific bus service. Please check the bus routes to find the most convenient for you. Students getting on the bus at or after Greengates should opt for one of the buses that start with an 'L'.

[Under 19 Photocard](#) - This pass can be used on all Metro buses. It can be topped up to provide weekly or monthly payment, which is cheaper than paying daily. Clearly due to current hygiene measures, being cash free on school buses is advisable.

Full details of how to apply can be found on the [Metro website](#).

Families who have already submitted applications for these passes are not required to do anything further, however we urge families that are yet to apply to make sure they do so ahead of the deadline in order for these to be in place for September.

If you have any questions please do not hesitate to contact Mr Dewhirst on: secretary@bentonpark.net

Thank you as always for your support of school and our students.

Yours sincerely,

Richard Wood
