

# BENTON PARK SCHOOL

*'Creating a climate for great learning, success and opportunity'*

18<sup>th</sup> July 2022

Dear Parent/Carer

As we rapidly approach the end of the school year we are delighted to be planning for our first whole school Enterprise Fair, which will be held on the morning of Friday 22<sup>nd</sup> July.

Before we provide information about our Enterprise Fair, we would just like to thank all of our students and staff who have embraced the 22 for 20 challenge and can be found running (a long way in some cases!), cycling, jumping, dancing or doing yoga poses, every day in school or at home. It is great to see Benton Park School Community coming together to raise as much money as possible for Yorkshire Cancer Research. As you can see from our Justgiving page we are still some way off our target but as the activities conclude at the end of term, we are ever hopeful that more donations will come in. Please feel free to share our link if you or your child are taking part with us.

<https://www.justgiving.com/fundraising/bentonparksch>

Turning to our Enterprise Fair, this promises to be a fantastic conclusion to our 2022 Charity Challenge and a celebration of everything we have achieved. It is also aimed at raising lots of money for our chosen school charity as detailed above.

Every Form group is currently busy finalising plans for their Enterprise stall, which has been fully designed and implemented by them and for which they will be responsible for running on the day. In addition to this, all the students will have the opportunity to explore the Fair and join in with the vast array of activities, challenges and events that have been planned.

On the day students are invited to come to school in non-uniform and they will all receive 10 tokens which they can use at the Fair to enjoy the activities. The stall with the most tokens at the end of the event will be crowned the Enterprise Form of the Year! To support in our fund-raising efforts, we are requesting a suggested donation of £5 per student, to cover the issue of the tokens and the wearing of non-uniform. All funds received from this event will be donated to Yorkshire Cancer Research and to make it easy for parents to donate we have added this to ParentPay accounts which can be accessed via [www.parentpay.com](http://www.parentpay.com).

We would really appreciate your support in logging in to make the payment. However, we are mindful of families who have more than one child in school and so we have set it up to allow you to donate as much or as little as you feel able. All donations will be gratefully received and will be added onto our Justgiving page to support us in achieving our £10,000 target for this amazing charity.

The school day will conclude at 12.30pm for all students with school buses picking up at this time. This event promises to be a fantastic finish to the school year and we want all students to enjoy it. To ensure this, we would just like to remind students of the usual requirements around non-uniform; it must be safe, modest and appropriate to wear in a school setting.

We very much look forward to celebrating with all of our students and sending them away on their well-earned summer breaks in a positive frame of mind ready to return for another great year in September. We would also like to say a massive thank you in anticipation of any support you can provide to help us as a school community achieve this very worthy goal.

Yours sincerely

Matthew Marsh  
Director of Social Studies
