

PERFORMING ARTS

EXAM BOARD: PEARSON

WHAT WILL I STUDY?

What will I study:

You will develop technique and performance skills in acting, vocal and movement work in this course. You will also develop your ability to create your own work and will explore a range of techniques and styles to enhance your existing repertoire. This course will build your foundations in acting, and working in an ensemble to create live productions for an audience.

The course is designed to train students to become performers and work professionally in the performing arts industry. However, the vast experience that the students will gain can also lead to jobs in teaching, sound and lighting design, costume and set design, directing, marketing and PR to name but a few.
